RIGHTS-OF-WAY APPLICATION ADDENDUM

NOTE: READ CAREFULLY

1. Completed supplemental forms (available on ASLD website) and the Application Addendum signed and dated by a Right of Way Administrator, or Section Manager, or Division Director, must accompany any new application for a Right of Way or Right of Entry. If such forms do not accompany the application, or if the Application Addendum is not signed and dated, or if the application is not submitted within 90 days of the Preliminary Application Conference date, the application shall be rejected.
2. Preliminary Application Conferences shall be set up by an administrator of the Right of Way Section (602) 542-4098. The Conference may be with the proposed applicant or a party representing the applicant. Preliminary Application Conferences shall be by appointment, may be in person or by phone, and shall be scheduled for a minimum thirty (30) minute time period, unless an administrator personally arranges otherwise.
3. An appointment for a Preliminary Application Conference must be set up at least ten (10) working days in advance. The potential applicant must provide a completed Application Addendum and any supplemental forms for the specific use at the time the Preliminary Application Conference is scheduled. The completed Application Addendum and supplemental forms may be mailed, hand delivered, faxed or provided electronically. In addition to the Application Addendum, it is highly recommended that a surface ownership map showing the proposed alignment be provided by the applicant. If the Preliminary Application Conference is conducted by telephone, it is the responsibility of the potential applicant or representative to make sure the Application Addendum, supplemental forms and any maps are delivered to the administrator prior to the Preliminary Application Conference. The administrator shall not schedule the Preliminary Application Conference if the potential applicant fails to provide the completed Application Addendum prior to scheduling the Preliminary Application Conference.
4. Administrators will be assigned to Preliminary Application Conferences on a basis established by the Right of Way Section Manager.
5. When the Preliminary Application Conference is concluded, the administrator shall return the signed and dated Application Addendum to the potential applicant or his representative to submit with the application if one is filed, and retain a copy.

ACCEPTANCE OF THE APPLICATION SUBSEQUENT TO COMPLETION OF THE ADDENDUM DOES NOT CONSTITUTE A FINAL DETERMINATION BY THE DEPARTMENT OF THE MERITS OF THE APPLICATION.

**ARIZONA STATE LAND DEPARTMENT
REAL ESTATE DIVISION
ADDENDUM TO APPLICATION
REQUIRED PRELIMINARY APPLICATION INFORMATION**

This completed form, signed and dated by the Real Estate Division, must accompany every New Right of Way or Right of Entry Application. The Department will not accept an application for a right of way or a right of entry without this form being completed.

Existing Adjacent Land Uses: Ranch Land
North: Ranch Land
East: Ranch Land
South: Ranch Land
West: Ranch Land

Proposed Project Description, purpose and/or need for the requested right of way?
See Attachment A and associated Conceptual Design Plan.

What is your opinion of the value of the right-of-way you wish to acquire the rights to, per acre, and if appropriate, per square foot?

To be determined.

What are the funding mechanisms that will assist and or pay for this right of way? Are there constraints, stipulations or deadlines with the funding?

TRE will receive 100% of its funding for this right of way, and other early and mid stage development activities from TEAI. TEAI is well capitalized and has a successful 30 year track record, having acted as both a principal and investment manager for over US\$3.0 billion of energy transactions. Torch Renewable Energy (TRE) is a wholly owned subsidiary of a privately held energy project developer and manager, Torch Energy Advisors, Inc. (TEAI). This stage of funding will be free and clear of constraints, stipulations or deadlines.

Is access an improved dedicated public street? ☐ Yes ☒ No

Describe access and identify road names: Muleshoe Ranch Road will be used to access existing dirt roads throughout the site. Turbine access roads to be built to utilized for the installation and maintenance of the turbines.

Are there any drainage and/or flood plain constraints or requirements for the use or proposed project? If yes, what are the proposed plans to address them and how or will they impact the proposed use?

There are no drainage or floodplain constraints. Turbines and maintenance roads will be located to avoid impacts to drainage and floodplains.

Are there any waterways/washes in along or within the project area? If yes, what are the sizes and what constraints and/or issues may they generate?

There are ephemeral washes within the project area. If there are impacts to these washes they will be temporary. If any of these washes are deemed waters of the US, then a 404 permit from the Corps will be obtained.

Has the proposed use or proposed project been presented and/or vetted through the local, State or Federal jurisdiction? If yes, what was the jurisdiction's position? Please include any letter of support and/or stipulations imposed on the project.

The project is currently being discussed with Local, State, and Federal Entities.

Letters of compliance and permits will be submitted as they become available.

75

Are there any pending projects associated with this use or proposed project? If yes, do they require other rights of ways or acquisitions to complete the project? Please explain.

No.

Are there any extraordinary issues affecting the use or proposed project that you are aware of, such as the existence of endangered species, cultural resources, topographic constraints, etc.?

None identified in a desktop analysis. We engaged a consultant to begin avian studies on December 7, 2012. A native plant survey and a cultural resource survey will be conducted within the next couple months.

What, local, State or Federal approvals, if any, are necessary for this use or proposed project? If a Certificate of Environmental Compatibility (CEC) by the Arizona Corporation Commission is required, when are you planning to file the application? If filed, please provide a copy of the application.

Cochise County Building permit; Determination of No Hazard from the FAA;

Section 404 Permit for any wash crossing deemed jurisdictional by the Corps;

Cochise County Special Use Permit; A CEC is not required

Why are you requesting that this parcel be encumbered with a right of way at this time? Please provide supporting data.
